Operation Building Blocks

Supporting Parents
With Knowledge, and
Skills to Create a Child
Healthy Environment.

OVER VIEW

Operation Building Blocks

is a home visitation program

that is tailored to meet

Parent's specific needs.

Parents receive one-on-

one prenatal and post

partum educational services to provide

parents with knowledge and skills to create

and support an optimal parent and child

healthy environment. The program is

provided to those

who meet the

qualifications. Free of

Charge & No income

guidelines
